

The Child Development Centre is located within the City Care Centre.

There are allocated spaces for Disabled badge holders, as well as paid parking for all other visitors and staff.

As you enter through the main automatic doors of the City Care Centre, you will see signs directing you to the Children & Young People's Services, where the Child Development Centre is located, follow the white Swan.

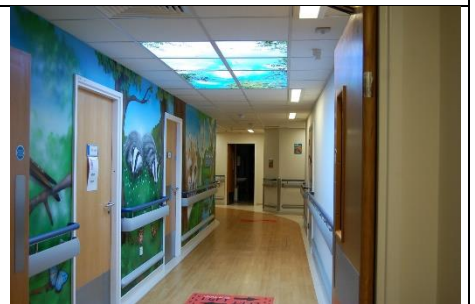

Make your way through the building and the Child Development Centre is just beyond the shop.

As you turn the corner, you will find the Child Development Centre main doors.

You will then find our main reception team, who will be able to assist you with your appointment.

This corridor leads you to a range of appointment rooms.

The Therapy Gym is one of our appointment rooms.

The Large Therapy Room is another room we use for appointments.

Consulting rooms are where you are likely to see a Paediatrician.

This is the Multi-Disciplinary Team (MDT) assessment room.

The Visitor toilet, Disabled toilet, and the Mother and Baby feeding/ changing facilities are down this corridor.
